ROSE HACK

by WinC & SWE

JANUARY 18, 2020

about us

In our first year...

* 600+ applicants
* 200+ participants
* 24 hours
* 40+ completed projects
* 35+ Sponsors
* 20+ Organizers

what makes us different?

Rose Hack will be a 24-hour hackathon in the Inland Empire hosted by two women-centric organizations at the University of California, Riverside. This is one of very few women-centric hackathons in California! Rose Hack welcomes undergraduate and high school students from all over the state. Our mission is to encourage individuals from underrepresented groups in STEM to gain experience, build confidence, and a create a strong network together.

why should you sponsor?

RECRUIT

You will meet a select group of over 200 bright women in STEM from Southern California and receive a resume book. You will also learn more about the members of ACM-W and SWE and establish connections that last beyond the hackathon.

INSPIRE

Women are twice as likely as men to leave STEM majors during their time in university. By sponsoring us, you will have the opportunity to impact the careers of women in STEM by speaking to and encouraging the participants at Rose Hack to pursue a career in STEM.
